Frank Roura
1927-2015

Frank, who took his First Degree in 1954, was usually seen proudly wearing his Knights jacket. Always smiling and pleasant to be around, he was very active in the Council until recent years coming to all of our events. He is survived by his daughter Sam. Also son-in-law Paul Lippert and his Grandson Jack Lippert who also are Knights in this Council. We send our condolences to his family.
