Knight of the Month

Mike Druke, here with his Fourth Degree dad on their annual hunting trip this fall, is a great Knight. Always helps, always at Mass in his jacket, attends all meetings and is our faithful recorder..... Thanks Mike,
January Meeting Notes

Our members enjoyed a hearty Red Cabbage and Sausage Dinner prepared by GK Dean Simonich.

The Christmas Turkey Dinner was remembered as a nice event though fewer than normal attended. Jim Holley reported that the Red Cross will be holding an informative session at the Old Hall Jan 29 at 7pm, and that the Red Cross is looking to partner with church groups for shelters. Thanks sent to Oscar Braun on the successful Nativity Scene project. We spoke of the upcoming St Pats Dinner, and the need to sell tickets. For more info see page 3. April will bring with it the Dream Machines. It is a Sunday only event this year. We will man booths and we will need lots of help.

2013 St Patrick’s Day Dinner.
Join us on March 15 to make new memories!

GK CORNER by Dean Simonich

I would like to ask everyone to think about attending our annual St Patrick’s Day dinner on March 15th, (info page 3.) Come have fun! Let us all take a moment daily to say a special prayer for the sick among us. This is a particularly hard winter for colds and flu's and the like and everyone can use the healing power of your prayers.

For the past few months I have asked you to pray for a young man. His full name is/was Dominic Michael Mary Klapperich. He was born on February 11, 2005. Through the generosity of the Marriage Encounter community and family friends, his family was able to take him to Lourdes. I understand that Dominic and his parents received a great deal of spiritual healing and uplifting, but unfortunately no physical healing.

He died of a cancer in his brain stem on January 9, 2014. He had 8 siblings. For the last couple of months he was barely able to use one hand, and was blind and unable to speak for the last couple of weeks. John and Regina are his grandparents. They are probably as close to being saints as I will ever see. John, even though grief stricken, told me that he saw God’s blessing in Dominic’s illness and death. Because of rallying around Dominic, many rifts in the extended family have been healed and they are all much closer to each other and to the Lord. I don’t think that I would have the grace to see a blessing in 10 months of deterioration and death of my grandson. But as I said, they are walking saints.

This is probably a lot more than you were interested in. However, it just seemed to flow out. Claire and I have been hit very hard by this. John and Regina are very close friends. We’ve known them for more than 20 years through Marriage Encounter. They have been mentors, fellow community members and we have presented Marriage Encounter weekends together….Dean
