Food is Served!
Father Israel Galvez, visiting Bob Fernandez from Spain, treated us to an authentic Catalanian meal of seafood soup and Fideua, a type of pasta Paella. It was remarkable as was the enjoyable company of Father Galvez.

Martin and his brothers are not always able to attend our meetings but they are always there when we need them for events like Artichokes, Beer Booth and also to help the Parish. We thank them for their great sense of brotherhood and the smiles they and their families bring to us all at this Council. Thanks Martin!
