GK Corner by Jose Acosta

The support of the Knights, WISHES and their families in preparing and cooking the artichokes has been the key to our success every year. Given the membership, this year will be no exception. It’s important that everyone who is able come out and help get the artichokes prepped for cooking. Without full participation we could run short of product to sell. As you know shucking the artichokes is a fun way to renew old friendships and to meet new people in the community. Please encourage everyone you know to join us in the Old Hall for the fun evenings. Also, the confirmation students and their families will be participating. Come TUESDAY THRU SUNDAY renew old friendships, meet new people and ENJOY.

CONGRATULATIONS TO GRANDPA JIM SUTRO. DAUGHTER ARIEL RECENTLY GAVE BIRTH TO JAMES JAY SUTRO LAWRENCE
