Knight of the Month

Our new Pastor has made it very clear he is a big supporter of the Knights. He has come to our last two meetings and has given us details on his background. We look forward to working with him to help our Parish grow and prosper

Fr Shouraiyah Pudota

What did you do this summer?

If you noticed that Bob Pinto was not around for most of the summer that was because he went to study and work on the Navajo Indian Reservation. He took a Botany class and a traditional moccasin making class. For a week, after classes, he assisted with a summer youth camp and gave three presentations to a group of 30 local native campers. He was able to partake in several extracurricular activities as well attending a local rodeo, twice hike Canyon de Chelly, and enjoy several lightning storms. His favorite meals included fry bread and mutton. Bob was met at the end of summer school by his wife and brother. He writes, "There is so much more to learn and experience, I hope to return next summer." [Tell us your vacation story for a future newsletter](#)

August Meeting Notes

After a casual dinner of Fried Chicken and Cole Slaw we went on to have a nice short meeting.

Dan Najera spoke about his life traveling and helping interpret for Spanish speakers. He also let us know he plays piano and accordion and would play for the Knights sometime.

We may do a First Degree via Video in the Fall

We talked about obtaining Chokes pre-cut for use in future.

Sharpen your 'choke cutting knife for Pumpkin Fest, its coming soon enough!
See you next meeting

Grand Knight to be Jose Acosta

Just a couple of reminders.

1. This month's general meeting is on going to our Installation of Officers on September 21st. A Sunday. We will be in the Church at 3:30 for the Installation and will gather for Dinner immediately after in the Old Hall. This will be Pot Luck so bring your best Family Recipes!
2. Pumpkin festival is coming up. Please plan on helping to shuck and cut the artichokes. Bring your spouse, and anyone else you can get to come. The more that come, the better the party. After all, this is supposed to be a time to help build our community. Of course, help is also needed to cook and handle the chores during the festival....

God Bless Jose
