### **Knight of the Month**

**Missing Knights**

For sure it isn't always fun and easy to be a Knight. We spend a lot more time in meetings on boring details than doing things we might want to do for ourselves, and that should probably change. We can still be the group that prides itself on volunteering and raising money for our Parish but we must also be an organization that supports each other. At some time you signed up to be a Knight to help. Please come to the next meeting or event and help us grow. We miss you.

**Recruit a new Knight  
by asking friend to  
join! The good work  
we do is more fun with  
a friend working by  
your side!**

**Buy some  
Dinner and  
50/50 raffle  
Tickets!**

## **FEBRUARY MEETING NOTES AND COUNCIL NEWS**

After new Knight Michael Mulholland served a hearty dinner of Sloppy Joes, Chips and Cole Slaw to nineteen members, we had a brief and productive meeting. Mike Serdy reported on Scholarships see below. We also reviewed St Patrick's Day plans, see page 3. Dream Machines Beer Booth is upcoming as a one day event in April, more news later. Chris Devcich spoke of ideas to do a member blitz over two weekends. Perhaps Easter? After the meeting we watched Football Follies on the big screen TV. We will need lots of help selling tickets and cooking for the St Patricks Day Dinner. We ask you buy tickets early so talk to your wife and invite your friends!

District Deputy Richard Dizon (left) attended our February Meeting and welcomed our newest Knight. We welcome J. T. Logsdon to our Council

**Knights Donate \$2000 to Hispanic Religious Ed**  
Jim Sutro hands a check to Claudia Miramontes so they can go to Los Angeles Congress and buy supplies. This is biggest single donation by the Knights in years. The Knights feel it is important to foster relations with Religious Ed for all the hard work that they do.

### **Knights Sponsor Scholarships**

The Council will sponsor two \$1,000.00 and one \$300 scholarships for OLP Parish High School Seniors. To be eligible they need a B average if they are planning to go to college or a C average for vocational school. Forms are at Rectory and local high schools. **Deadline is April 19.** For more info call Mike Serdy 726-5752

GK Corner by  
Dean Simonich

Lent grew out of the period of preparation that the Catechumens of the early church went through in preparation for Baptism. It was and is a time of fasting, prayer and self-denial to achieve spiritual growth. Specifically, removing those things in our lives that limit our personal

relationships with Jesus. Our celebration of Easter is supposed to include a celebration of our continuing conversion into being the person God wants us to be. Recognizing this is what keeps me going through Lent. May the Lord grant all of us a productive and Holy lent.
