### March Meeting Notes

The HMB Beautification Committee which runs the Pumpkin Festival was able to obtain funds to make up to local charities their losses from the cancellation. A generous gift was sent to the Knights and we thank them.

The Knights are looking to assist in the repair of the refrigerator in the Old Hall.

No word yet on when we can hold meetings in person again.

### What's up, Doc?!

Wishing you a hoppy Easter, and hoping that we all are close to being Resurrected from Covid. Tempus Fugit, Memento Mori.

On a lighter note, it brings many questions like if this is a time when our Lord left this earthly plane, why do so many people observe it with Deviled Eggs? It's also the time of year when I bring out these jokes for the kids... How do you catch a unique Easter Bunny? Unique up on it! How do you catch a tame one? The Tame way!

May you and yours be safe this spring, a time for new beginnings. My sister in Chicago reports that her irises are coming up through the snow! Vivat Jesus, and may peace be with you. ...Marty Masters
